

DISCLAIMER

Skyview Capital is an investment education and advisement service, but we are not currently licensed professionals. As such, opinions and trade recommendations in both our Discord and Telegram are solely our own. We advise everyone to know the risks involved with trading stocks, options, and crypto.

1. Trading has large potential rewards, but also large potential risk.
2. You must be aware of the risks and be willing to accept them in order to invest in the markets.
3. We make absolutely no guarantees in any of our claims or recommendations.
4. You are responsible for every trade you make and should not purchase options contracts without first doing research.
5. Do NOT trade with money you can't afford to lose.
6. This is neither a solicitation nor an offer to Buy/Sell options.
7. You should not engage in trading unless you fully understand the nature of the transactions you are entering into and the extent of your exposure to loss.
8. Day Trading involves substantial risk of loss and is not suitable for every investor.
9. Only you can determine what level of risk is appropriate for you.
10. If you do not fully understand these risks, do not sign up for our service and seek independent advice from a licensed financial advisor.
11. DO NOT BUY ANYTHING YOU SEE IN THIS COMMUNITY.

We encourage every trader to do his/her own research prior to making a trade and make sure to know all the risks involved. Investments in the securities markets, and especially in options, are speculative and involve substantial risk. We are in no way guaranteeing success on these trades, and will allow the results to speak for themselves.

By joining the Skyview Capital Community, you are agreeing to follow the rules below. Any violation of these will result in an immediate cancellation of your non-refundable membership and being blocked from all media. We are dedicated to the integrity and quality of the channel.

1. Be respectful and mindful of others. If you are overly offensive, we will give you a warning. If it persists, your membership will be terminated. No personal attacks of any kind.
2. Do not spam or troll.
3. You are solely responsible for your trades, so don't follow blindly. Do your own research and trade responsibly. We can't and won't tell you what moves to make.
4. No guarantees are given or implied.
5. No self-promoting, selling products of any kind, or solicitation of any kind without admin permission. Even the slightest violation of this rule will result in an instant ban. Redistribution of any kind is strictly prohibited.
6. You cannot ask anyone for money or to trade on your behalf.
